

ERRATUM

GORCZYCA J. & CHÉROT F. 2008: *Stysiofulvius*, a new genus of Cylapiinae (Hemiptera: Heteroptera: Miridae) from the Peninsular Malaysia. *Acta Entomologica Musei Nationalis Pragae* 48(2): 377–384.

The intended spelling of the species *Stysiofulvius hulimkai* Gorczyca & Chérot, 2008, dedicated to Jacek Hulimka, was due to a *lapsus calami* in the paper changed to *S. hulinkai*, dedicated to Jacek Hulinka. Therefore, the incorrect original spelling is emended here in accordance to articles 32.4, 32.5, and 33.2.2 of the ICZN (1999):

***Stysiofulvius hulimkai* Gorczyca & Chérot, 2008**

Stysiofulvius hulinkai Gorczyca & Chérot, 2008 (lapsus calami, incorrect original spelling)

Stysiofulvius hulimkai Gorczyca & Chérot, 2008 (here emended)
