

ERRATUM

BESUCHET C. & HLAVÁČ P. 2011: Contribution to the knowledge of Clavigeritae (Coleoptera: Staphylinidae: Pselaphinae) from Fiji and Vanuatu, with the catalogue of Clavigeritae of Oceania. *Acta Entomologica Musei Nationalis Pragae* 51(2): 517–528.

Multiple original spelling of the name *Microconilon* Besuchet & Hlaváč, 2011. By mistake, the name occurred within the text of the paper in two different variants of spelling: the intended one, *Microconilon* (12-times throughout the text on the pages 520, 521, 522, 523, and 528), and incorrect *Miconilon* (*lapsus calami*, occurring twice in abstract on the page 517). *Microconilon* Besuchet & Hlaváč, 2011 is the correct original spelling of the name, while *Miconilon* must be considered an incorrect original spelling and an unavailable name in zoological nomenclature.

Correct title of the catalogue (page 527) is the following one:
Catalogue of Clavigeritae of Pacific islands excluding New Guinea.
